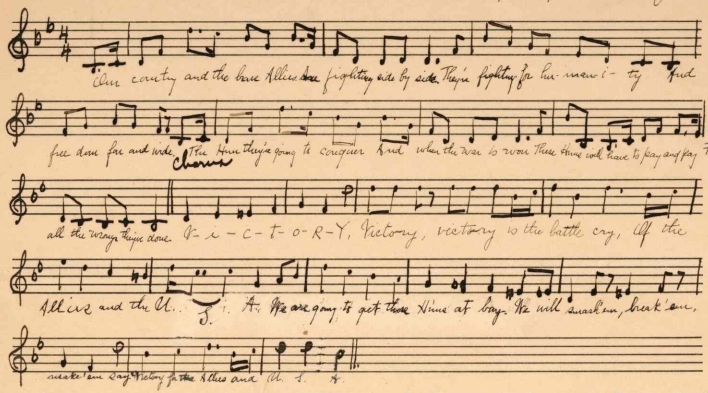
V-i-c-t-o-R-Y!

Words and Music by
Harriet A. Johnson.



1. Our country and the brave Allies
Are fighting side by side.
They're fighting for humanity
And freedom far and wide.
The Hun they're going to conquer
And when the war is won
These Huns will have to pay and pay
For all the wrongs they've done.

2. We are winning, boys, We're winning
All along the battle line.
We've got the boches running
And we'll chase them 'cross the Rhine.
We will drive them from the country
And we'll lick them up and down,
And when we reach their old Berlin
We'll smash that little town.

3. We are sweeping all before us
As we slash and fight our way.
The Huns are losing courage,
It's fading day by day.
Oh, they know that they are beaten
That they'll have to pay the cost
Of causing all this crutal war
For Germany is lost.

Chorus.
V - i - c - t - o - r - y
Victory, victory is the battle cry
Of the Allies and the U. S. A.
We are going to get those Huns at bay.
We will smash 'em, break 'em, make 'em say
Victory for the Allies and U. S. A.
