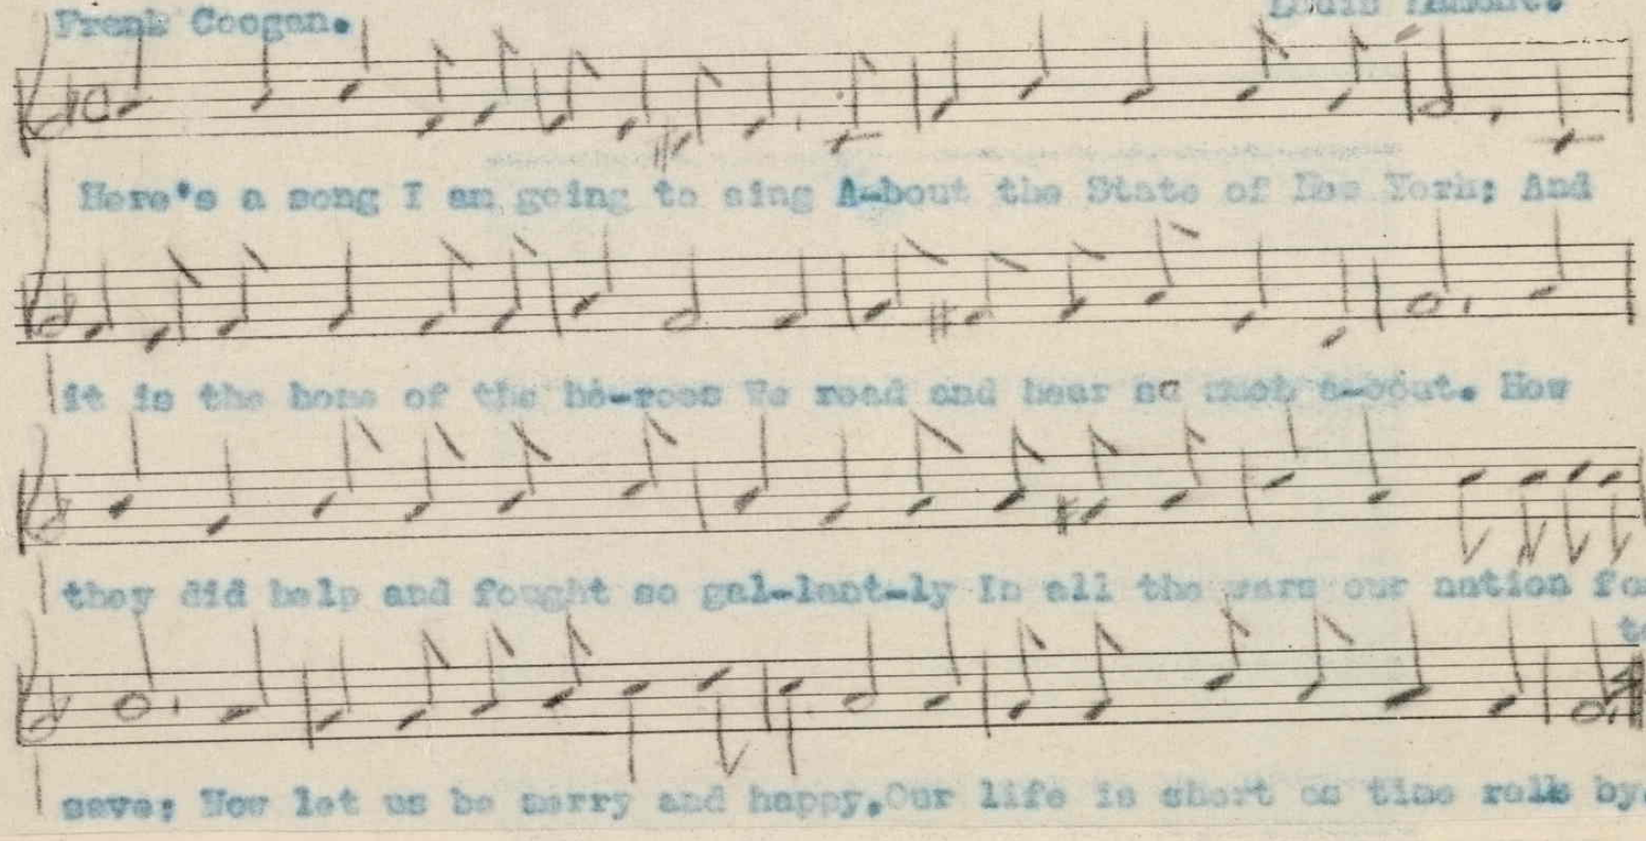
SONG OF THE STATE OF NEW YORK.

Frank Coogan. Louis Lamont.



(2)

Give me New York for its beautiful lakes and rivers,
With Niagara Falls it does take the eye;
And o'er the country sights can be seen,
On the Adirondack Mountains they are O. K.
Where you will get a cool, sweet breeze
Sitting in the old arm chair;
Now let us be merry and happy,
Our life it is short as the time rolls by.

(3)

I will never forget Greater New York,
The land of my birth where I spent happy days;
And to sail up the Hudson, how pleasant it is,-
To see the Catskill Mountains the scenery is grand.
With the lovely lawns and mansions are fine,
And to see West Point we stop on the way;
Now let us be merry and happy,
Our life it is short as the time rolls by.
