The Song America is teaching the Allies—and Germany must join in the chorus.

The Song that inspires the whole world to defeat the Kaiser.

Be patriotic enough to learn this Song—and teach it to your German friends.

The Song that has a message from Heaven—with a duty to perform.

It has the same relation to this World War that "Uncle Tom's Cabin" had in our Civil War, or "Break the News to Mother," had in the Spanish-American War.

★ THE BEST WAR SONG EVER WRITTEN ★

It has the same inspiration on the battlefield that "Annie Laurie" would have to the Scotchman.
