DANIEL LEEDS'S LETTER.

To y^e Men's Monthly Meeting of Burlington :

DEAR FRIENDS: Whereas I do understand y^t something in my Almanack hath given offence to ffrriends of truth—Therefore I did look uppon myself as bound for Satisfaction and Vindication of y^e blessed to Condemn and Judge them as wrong and proceeding from a ground y^t was out of Truth, I being at a Loss as to my Inward condition at y^e Time of Writing thereof, During which Loss I have been apt to Let in hard Thoughts and to pass a Forward Judgement of Some Proceedings of y^e Men's Meeting—which I also do condemn, warning all others to have a Carre of Letting in any thing against y^e Good Practices of y^e Church of Christ in Men and Women's Meeting.

Read in y^e Meeting y^e 5th of y^e 12th Mo: 1682.
