Dear Mr. Harris:

We at the Naval Historical Foundation authorize the Library of Congress to make a digital copy of our book entitled *The Russian Navy Visits the United States* (published 1969), with our approval for making the digital version publicly available on the Web sites of the Library of Congress, the Boris Yeltsin Presidential Library (St Petersburg), and the HATHI Trust Digital Library. We would require that the digital files be made available to the Naval Historical Foundation to use as we deem suitable.

Sincerely,

Charles T. Creekman  
Executive Director  
Captain U.S. Navy (Retired)
