| 802 MARY,             | b.                |                           |                                  |

Bateman<sup>437</sup>. There is no certainty about the arrangement of this family. I have devoted considerable time to the search with very unsatisfactory results. The names have been received from various sources, mostly without dates, and I have guessed their order. He is still in active business, deals in coal, lime, etc., and owns considerable real estate, but sees little of practical interest or of real value in a genealogical hunt.
