
THE GREAT ADVERTISING MEDIUM OF NEW HAMPSHIRE.

The Republican Press Association,

CONCORD, NEW HAMPSHIRE,

PUBLISHES

THE CONCORD DAILY MONITOR,

Established in 1864;

AND THE

Independent Statesman,

Established in 1823.

Circulation of the "Statesman" Between 9,000 and 10,000.

POLITICS—REPUBLICAN. POSITION—CENTRAL. ITS
FIELD—THE WHOLE STATE.

This Corporation publishes **THE ONLY DAILY** at the capital. It is a 6-column, 4-page paper; length of column, 21 inches; two editions daily, at 3 and 5 o'clock, P. M. The 5 o'clock edition covers all the Northern and Southern bound afternoon trains, in one great chain of railroad connections. During the session of the Legislature a large morning edition is printed and sent broadcast throughout the State.

THE INDEPENDENT STATESMAN (weekly), is a 6-column, 8-page paper; length of column, 21 inches; size of paper 8 1/2 x 4 1/2. This is the **Great Paper** of New Hampshire; and it probably does more to shape public opinion than all the other republican papers of the State combined. It has the **Largest Circulation** of any purely political paper in this portion of New England; and while, during the great business depression of the last five years, other papers have fallen off in circulation, become crippled, and many have become extinct, this establishment, from its central location and wide field, has not only maintained itself, but has steadily gained in favor and in strength. The above facts are submitted, in brief, to show the business public that this is

THE GREAT ADVERTISING MEDIUM OF NEW HAMPSHIRE.
