Consistory Court of London.

[The foregoing abstracts of wills of the Whitfield family I have kept by me many years in the hopes of gathering a lot of notes on the Manning family of Kent to accompany them, for, as will be seen above, Mr. Thomas Whitfield the father of our Henry Whitfield and the grandfather of Mrs. Sarah, wife of the Rev. John Higginson, and probably also of Mrs. Dorothy, wife of Samuel Disbrowe of Guilford, Connecticut, afterwards keeper of the Great Seal of Scotland, married into this family of Manning, thus endowing very many of our present New England families with a very interesting line of ancestry. Having now collected and set in some order most of these Manning notes I have thus redeemed the promise made some years ago in my Gleanings (*ante*, page 253).

A printed pedigree of the family of Whitfield may be found in Clutterbuck's History of Hertfordshire (Vol. I., p. 189). Another I have noted as being in Berry's County Genealogies (Sussex, page 15). In Harleian MS. 1432 (240 in pencil) I found the following pedigree (with a reference to Hollinshed folio 873-20].
