Isaac Fuller#11 was born Dec. 15, 1738.

Mary Alden#5 was born Aug. 5, 1745.

They were married in 1764.

* In LOWELL'S INSTITUTE LECTURES, p. 268, are accounts of the Fullers. Dr. Fuller's will, dated July 30, 1633, was the earliest will on record. His wife and son gave to Plymouth Church a lot for the Parsonage.

† The Records of Dr. T. B. Drew, Custodian of Plymouth Hall, state that Dr. Isaac Fuller #10 died 1727. This is evidently a mistake, as is also the date of Mary Alden's #5 birth in Mitchell's History of Bridgewater, for all our Family Records give the year, month and day of their birth as used in this Record. The date of their marriage is probably correct.
