

NEW YORK.

morning), giving the most extensive and accurate price-lists ever published in the United States, occupying seventeen (17) columns, together with sixteen (16) columns and upwards of reading matter, every week; it is strictly neutral in politics, but independent in its criticisms on all matters affecting commercial and financial interests of the nation; prices are corrected weekly up to the hour of publication, making the mercantile journal almost indispensable to all dealers in stocks, government bonds, dry goods, drugs, paints, oils, groceries, country produce, hardware, iron, steel, tin, metals, furs, skins, wools, hides, leathers, etc.; it is devoted to the interests of bona fide merchants, manufacturers and bankers, and at all times refuses the use of its columns to the advertising of goods of a questionable character; there is not a mercantile or other paper published in the United States so well calculated to advance the interests of all who desire to do business with merchants and manufacturers throughout the union; no other paper reaches so many business men.
