KANSAS CITY.....MISSOURI.

THE LEADING NEWSPAPER IN THE MISSOURI VALLEY, AND THE SOUTHWEST.

Has an Extensive Circulation in Missouri, Kansas, Colorado and Texas.

Located about the centre of what is known as the Great Bend of the Missouri River, surrounded by the finest country in all the Great West, within a stone's throw of the Kansas State line, distant but a few hour's ride from numerous enterprising and thriving towns, the nearest metropolis (St. Louis) nearly three hundred miles away, Kansas City has every advantage, and nothing to retard its progress.

The census of 1870 records Kansas City as the thirty-fourth city on the list, showing

An Increase in 10 Years of 600 Per Cent : and as official statements prove, two hundred per cent. greater than any other city in the United States.

Kansas City is the centralizing point of ten railroads. Something of an idea of its railroad business may be gleaned from the different time-tables, which show arriving and departing time for

126 TRAINS DAILY :

The TIMES, with a circulation largely in excess of the combined issues of all the other papers in the city, has established a reputation unparalleled in this section of the country. It is acknowledged to be the leading Journal in all enterprises, and one of the handsomest papers in the country—is folio in form, contains thirty-six columns, size 2x14, and is printed on new copper-faced type. Established upon the firmest financial basis, cost is never pitted against importance, and in all its features our aim is to make the TIMES a Newspaper in every sense of the word. That the efforts of the proprietors are properly appreciated, and promptly seconded by the people, is demonstrated by our subscription books, which show

FIFTEEN THOUSAND NEW NAMES SINCE JANUARY, 1872.

The Daily, Tri-Weekly, and Weekly TIMES penetrates the country in all directions, within a radius of many hundred miles. Located as is Kansas City, just on the border of Kansas, the TIMES, although published on the Missouri side of the line, is in reality as much of a Kansas, as a Missouri paper, and to-day has a larger circulation than any Journal published in that State.

The three editions of the KANSAS CITY TIMES, as Advertising Mediums for the Merchant, Manufacturer, and those who desire to place their business before a purchasing public, are beyond comparison the most valuable in this section of the country. Advertising terms cheaper in proportion to circulation, than any other paper in the West.

Fifty per cent. extra for cuts. They will not be inserted unless cast with solid metal body.

The TIMES can be found on file at the Advertising Agency of GEO. P. ROWELL & Co., No. 41 Park Row, New York City, where contracts for advertising may be made; or address "The TIMES, Kansas City, Mo.," for specimen copies of the paper and advertising rates.
