Embroidered in a few hours with the Marvel Hand Embroiderer

See what can be done

With A Marvel HAND EMBROIDERER

She embroidered this taupe shirred turban in old rose and robin's egg blue. It looks like the work of many long days in the hands of a skillful milliner, but it is really the work of a few hours only with her Marvel Hand Embroiderer.

Come into our embroidery exhibit at 309 Fifth Avenue (just below the Waldorf-Astoria and across the street) and let us show you how, with the Marvel Hand Embroiderer, you can add the fascinating beauty of embroidery to your modish gown, your chic hat, your graceful handbag, your linens, in one-tenth the time and with one-tenth the effort.

The Marvel is revolutionizing the needlework of the world.

If you wish you can send us the price, $5.50, and we will at once send you the Marvel, an assortment of needles, the embroidery frame, and full book of instructions—in fact, every thing you need except the material itself to produce embroidery more beautiful than you have ever been able to own. Don't delay—send for your Marvel NOW and be sure it is a MARVEL.
