

"Ladies First" Nora Bayes Theatre

A mere man and a double quartette of really pretty songsters who help materially in registering "Ladies First" as a winner.

Benny (Irving Fisher) and Betty (Nora Bayes) whose romance was almost "bushied" in their race for Mayor and Mayoress.

Helene Montrose as the notorious Mrs. Ebb Smith.

You'll find Aunt Jim (Florence Morrison) the big woman with an even bigger voice and the "biggest" hit of the second act, in the front row centre of this second act ensemble. Above—"Your loving son," herself.
