

A daredevil steeplejack poses for his photo astride the giant hand of Philadelphia's most famous statue, that of William Penn, atop the City Hall tower. The photographer's perilous perch is the broad rim of the historic Quaker's hat, more than five hundred feet above the intersection of Broad and Market streets.

Ledger Photo.

Fortunately, the little German band that used to enliven New York's street corners is taboo. Not so, however, in Berlin. Here are ten of the near-musicians being poled along the curious inland waterway of the German capital. Perhaps they are endeavoring to charm the boatload of bologna off their port bow.

The Community Church, better known as the Church of the Messiah, at Thirty-fourth Street and Park Avenue, at the height of the fire of a week ago that damaged it to the extent of \$50,000. Funeral services for Horace Traubel, poet, editor and Walt Whitman's biographer, were about to be held in the church when the spectacular blaze broke out.

No book of a generation ago was more generally read and laughed over than "Peck's Bad Boy." Now it has been practically forgotten. Here is the original hero, George Peck, as he looks to-day. The gun he holds, presented to him by his father and the author of the book, bears this inscription: "Presented to Peck's Bad Boy by His Pa."
