PAX : LETCHWORTH

AP. 6 : 1934

My dear Mr. Mosftah,

(1) The terms I propose for the publications (either Church Music or special Compositions) is a Royalty of 15% on each copy. This is what we agreed in our first agreement, I think, for the Mass-book?

(2) For my visit to Cairo next winter, I propose that I receive board-residence

a £10:- a week, payable weekly in advance, for a period of 4 weeks (with the option of extension by mutual agreement), & £50:- for travelling expenses, payable before leaving England.

If You will kindly confirm this letter so that I receive Your reply by May 15th I shall be grateful; for if all is not in order by then I must at once begin to organize my work

in England.

With all kind greetings,

Yours in Him,

Ernest Newlandsmith
