## "SOMEWHERE THIS SUMMER WITH YOU"

by GEORGE WHITING and CHRIS SCHJONBERG  
Mr. Whiting already has to his credit one of the biggest Summer Song "Hits" ever written, "My Wife's Gone to the Country." This new one caught the public fancy—Quickest hit this summer. It's so "catchy" that you hear it once and you can sing it. Right now it's played all over America as the one biggest Summer Song "Hit" of the year—so I know you'll get a copy AT ONCE.

## A SUGGESTION!

If you want Song "Hits" that are great big value for the small price you pay, in addition to these 3—get a copy of the following:

"Let's Make Love While the Moon Shines"

This is the Song that BELLE BAKER is singing at Hammerstein's, N. Y., and the entire town is "daffy" 'bout it.

## "I'll Be With You Honey in Honeysuckle Time"

by Olive Friends Newman  
This is the March Song that is played by all the park bands and orchestras. It's the biggest March Song "Hit" since that famous song "Honey Boy" a few seasons ago. You'll enjoy every bit of this song so you better get a copy of it at once. Don't miss it.
