Like a dream she fled a - way!
When she lingered with us here.
Pur - er than the water
Now our wea-ry arms are

On the bright and gol-den shore
Now we sigh and weep in vain;
Now her lit - tle feet are wan - - - dring,
For our sun - light and our trea - - - sure
And shell glad our home no more!.....
Ne'er will bless our home a - gain!.....
