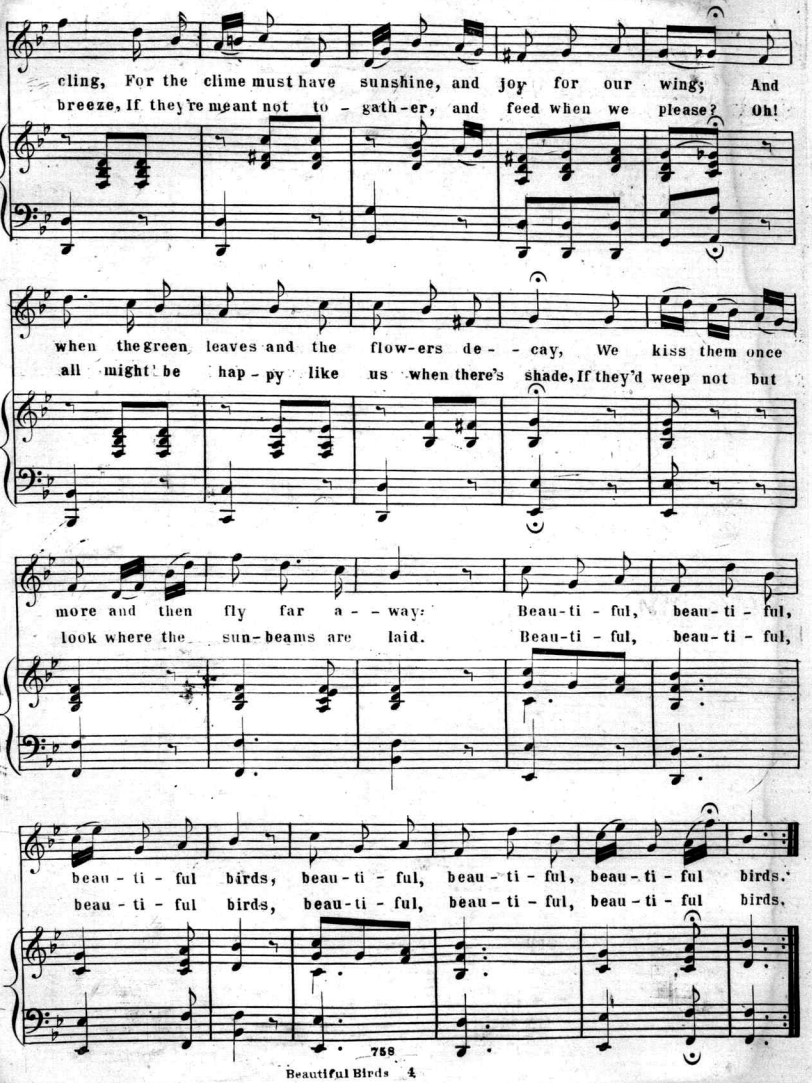
Whith er a - way on your breeze lov - ing wings, Has earth fair-er
hearts know no sor - row nor love changing words, Ye build and ye
val-leys or flow-ers more gay, That ye wait for a shadow then
nes - tle while sum-mer is here, Then you leave us in sadness when
ad lib:
has - ten a - - way? That ye wait for a sha - dow then
win - ter is near, Then you leave us in sad - ness when
a tempo.
has - ten a - way; Oh! yes, to the brightest and fair - est we
win - ter is near; Oh! why then are sun-shine, and flow - ers, and



cling, For the clime must have sunshine, and joy for our wing; And
breeze, If they're meant not to - gath-er, and feed when we please? Oh!
when the green leaves and the flow-ers de- - cay, We kiss them once
all might be hap - py like us when there's shade, If they'd weep not but
more and then fly far a - - way: Beau-ti - ful, beau-ti - ful,
look where the sun-beams are laid. Beau-ti - ful, beau-ti - ful,
beau - ti - ful birds, beau-ti - ful, beau - ti - ful, beau-ti - ful birds.
beau - ti - ful birds, beau-ti - ful, beau - ti - ful, beau - ti - ful birds.
