$25.00 WORTH FOR ONLY $1.60.

Each number of the FOLIO contains from **Five** to **Seven** pieces of new copyright Vocal and Instrumental Music, worth over **$2.50**, making over **$30.00** worth given during the year for only **$1.60**. The music is carefully selected from one of the best catalogues in America, and no single piece is worth less than the price of the monthly number.

EVERY SINGER

needs the FOLIO, as it not only contains a vast amount of useful information upon matters relating to the vocal organs, but it also furnishes a large number of valuable new songs, by the best composers, for a mere trifle.

EVERY PIANIST

The elegant full-page **Lithograph Portraits** of musical celebrities published each month are highly prized by all the subscribers. The **Select Miscellany, Musical Notes, Chat, Correspondence, &c.,** alone would fill a large volume in the course of the year. These departments, added to the music, furnishes to every subscriber

A Musical Library for $1.60.

A choice of **12 Musical Premiums** is given to every subscriber who pays $1.60.

EVERY MUSIC TEACHER

EVERY ORGANIST

will be pleased to receive the FOLIO, as it gives the very latest news concerning organs and organists, all over the world, and also contains many fine pieces arranged for that instrument.

The FOLIO is not a "trade" journal. It is a paper for the Home Circle. It is bright, lively and progressive, and is pure and refined in tone.

The FOLIO is sent to any address, *postpaid*, for one year, on receipt of only $1.60. It is furnished at this extremely low price in order that it may find a welcome in every home where music is loved and appreciated. In order that the great advantages to be gained by a subscription to the FOLIO may be universally realized, *a specimen copy will be sent free.*

The demand for the FOLIO is very large, and is so constantly increasing, that the better method of securing its regular receipt is to forward a Post Office Order, or Registered Letter, containing $1.60, with name and full address *written plainly* to the publishers.
