"CÆCILIAN EDITIONS."

This celebrated series of standard musical works, popular because of the perfection of each volume, is now being used by students, teachers, and in schools generally. New plates, best paper, and finest mechanical make-up, added to thorough correctness, are the features of excellence in the **"CÆCILIAN EDITIONS,"** being the only editions of standard works that are printed from new plates, and from which obsolete terms and expressions have been eliminated.

IN THE "CÆCILIAN EDITIONS"

Every Line, Note, Letter and Character is Legible.

Notwithstanding the superiority of the "Cæcilian Editions," they are sold at the same prices that govern the old imperfect and illegible editions, and some of the "Cæcilian Editions" are even lower in price than the old issues.

If you are using any of the above standard books, ask your music dealer to get you the "Cæcilian Editions," and you will find them far superior to any other edition of the same works.

To be had of all Music Dealers and Booksellers in the United States and Canada, any of whom will send by mail any of the works named in the "Cæcilian Edition" Series, on receipt of price.
