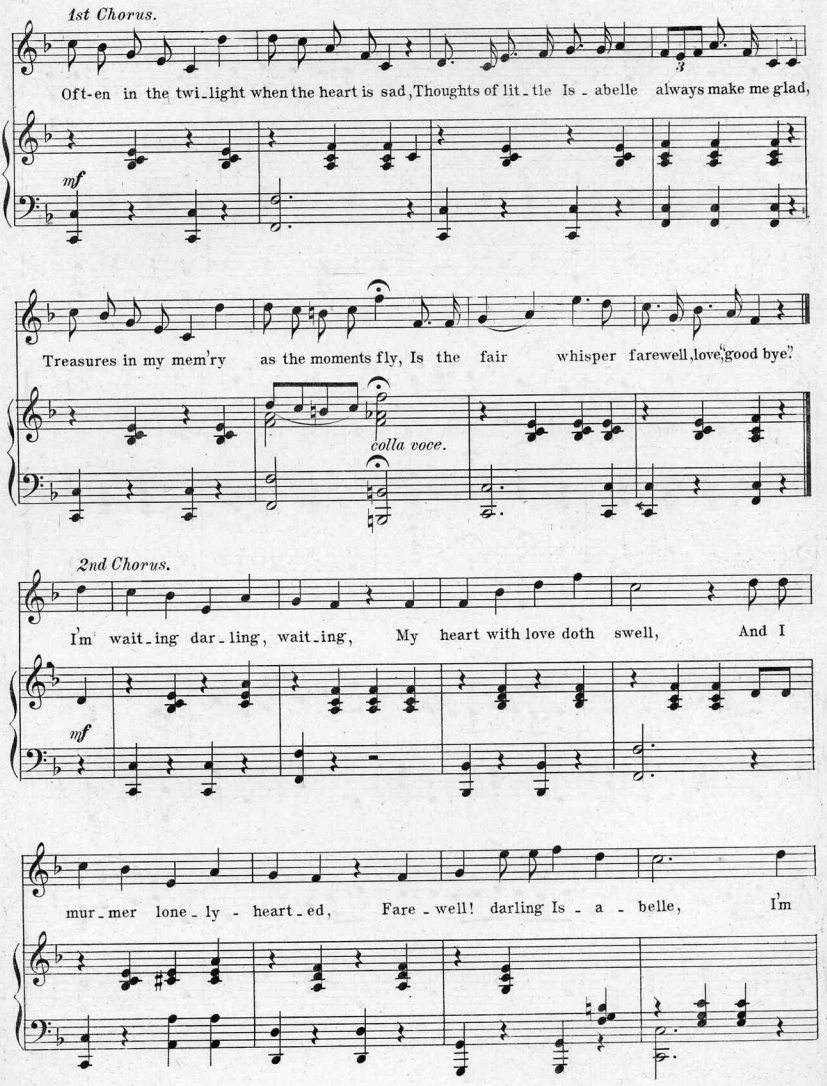
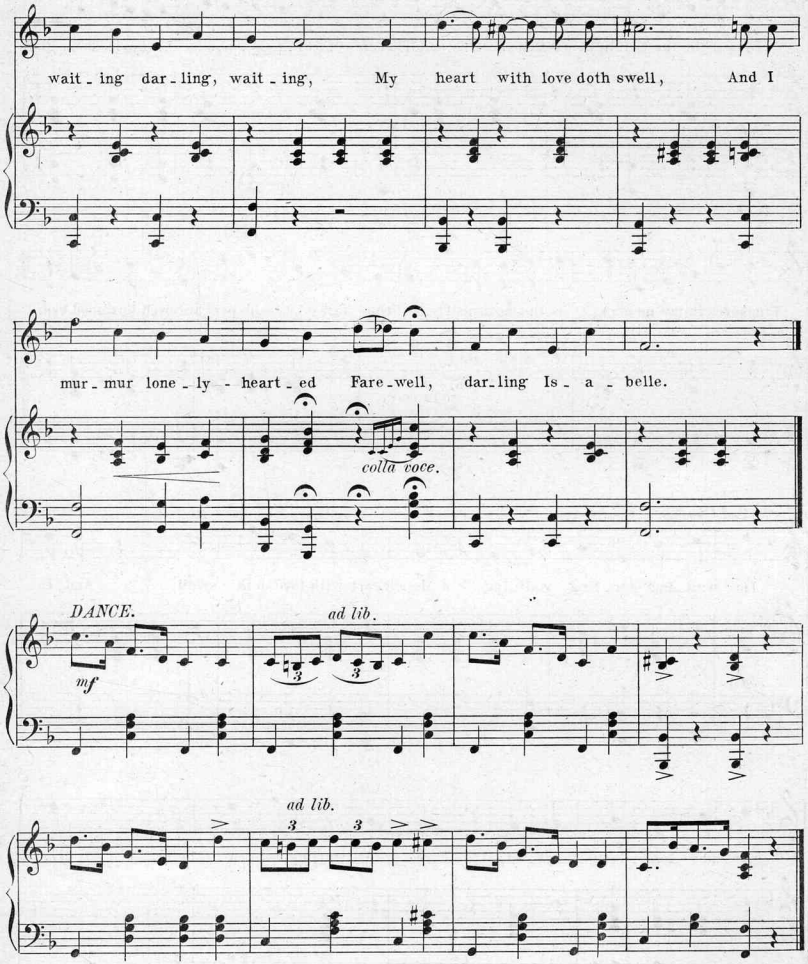
I love the roses where_ev_er they may bloom, They glow like my sweet-hearts cheek. I
I love the lilies so mod_est and so pale, I kiss them often I vow, How
p
drink the wine of their rich per_fume With a joy that no lips can speak.
can I help it, for they tell the tale Oft told by my loved one's brow.
Beau_ty is theirs nev_er won by art, My friends they shall ev_er be, I
For they are pret_ty and rich and rare, There bet_ters I'd like to see, But
rit.
love my love with a warm_er heart, For the ro_ses cant love me.
this love with that love can not compare, For the lil_ies cant love me.
colla voce.



1st Chorus.
Oft-en in the twi-light when the heart is sad, Thoughts of lit-tle Is-abelle always make me glad,
mf
Treasures in my mem'ry as the moments fly, Is the fair whisper farewell, love, good bye.
colla voce.
2nd Chorus.
I'm wait-ing dar-ling, wait-ing, My heart with love doth swell, And I
mf
mur-mer lone-ly-heart-ed, Fare-well! darling Is-a-belle, I'm



wait - ing dar - ling, wait - ing, My heart with love doth swell, And I
mur - mur lone - ly - heart - ed Fare - well, dar - ling Is - a - belle.
