Though guilt offends his purer eyes,
Compassion quells his holy wrath,
He sends our ransom from the skies
To save from everlasting death.
Sound! oh sound his name abroad,
Let his praise our voices move
Let nations join in sweet accord
Proclaiming loud that "God is love."

3

Bright Star of hope! o'er sinners rise,
And guide our wand'ring footsteps on,
To find that all excelling prize,
The wond'rous gift, God's only Son!
Oh then! again our voice we'll raise
To Father, Son, and holy Dove
And join with angels still to praise
This blessed proof that "God is love."
