Amber Tresses Tied in Blue.....	Song and Chorus, by H. P. DANKS.	40c.
My Sweet Josie Darling.....	Song and Chorus, by H. P. DANKS.	40c.
<p>The above songs, by H. P. DANKS, the author of the immensely popular Song and Chorus, "Silver Threads Among the Gold," have been out but a few weeks, yet the demand for them is unprecedented, and they have received the most flattering commendations everywhere. The following is from the Providence Journal:</p> <p>"Amber Tresses Tied in Blue."—An exquisitely beautiful song and chorus that will increase the admirers of its popular authors. Although simple in construction, both words and music are full of that poetic sentiment which will secure for this production a permanent place among our household songs. Belles will sing it to their hearts, beaux hum it to their bodies, and boys will whistle it in the streets. Words by Samuel M. Mitchell and music by H. P. Danks, who takes the lead as a musical composer. Published with fine lithographic title page by Cottier & Denton, Buffalo.</p> <p>"My Sweet Josie Darling" is a companion to the above, but somewhat different in style. A light tripping melody, is finely adapted to the poetry, and many will give this Song and Chorus a hearty welcome. Mitchell and Danks are the authors, and all their pieces are favorites. It has a fine vignette title page and is published by Cottier & Denton, Buffalo, N. Y.</p>
