# MOCKING BIRD POLONAISE.

MOCKING BIRD ECHOES.

By E. MACK.

PIANO.

The musical score is written for piano and consists of four systems of music. Each system contains two staves: a treble clef staff and a bass clef staff. The key signature is one sharp (F#) and the time signature is 3/4. The score includes various musical notations such as eighth and sixteenth notes, rests, and slurs. Pedal markings ('Ped') and asterisks (\*) are used throughout the piece to indicate specific performance techniques. The first system begins with a treble clef staff starting on a quarter rest, followed by a bass clef staff with a quarter rest and a series of chords. The second system continues the bass line with chords and includes a treble clef staff with eighth notes. The third system features a treble clef staff with eighth notes and a bass clef staff with chords. The fourth system concludes with a treble clef staff with eighth notes and a bass clef staff with chords.

First system of musical notation. The right hand (treble clef) plays a melodic line with eighth and sixteenth notes, featuring slurs and ties. The left hand (bass clef) plays a steady accompaniment of chords. Pedal markings 'Ped' and asterisks '\*' are placed below the bass line to indicate when the sustain pedal should be used.

Second system of musical notation. The right hand features a triplet of eighth notes. The left hand continues with chordal accompaniment. Pedal markings 'Ped' and asterisks '\*' are present.

Third system of musical notation. The right hand has another triplet of eighth notes. The left hand accompaniment remains consistent. Pedal markings 'Ped' and asterisks '\*' are present.

Fourth system of musical notation. The right hand has a dynamic marking 'p' (piano). The left hand accompaniment continues. Pedal markings 'Ped' and asterisks '\*' are present.

Fifth system of musical notation. The right hand has a dynamic marking 'p'. The left hand accompaniment continues. Pedal markings 'Ped' and asterisks '\*' are present.

Musical notation for the first system, featuring a treble and bass staff. The bass staff contains a series of chords with a 'Ped' marking and an asterisk. The treble staff has a melodic line with a 'Ped' marking and an asterisk.

Musical notation for the second system, including a treble and bass staff. The bass staff has a 'Ped' marking and an asterisk. The treble staff has a melodic line with a 'Ped' marking and an asterisk. A forte dynamic marking 'f' is present.

BRILLIANT.

Musical notation for the third system, starting with a piano dynamic marking 'p'. It features a treble and bass staff with chords and melodic lines. Pedal markings and asterisks are present.

Musical notation for the fourth system, showing a treble and bass staff with a 'Ped' marking and an asterisk. The bass staff contains a series of chords.

Musical notation for the fifth system, including a treble and bass staff with a forte dynamic marking 'f' and a 'Ped' marking. The bass staff contains a series of chords.

Musical notation for the first system, featuring a treble and bass staff. The treble staff contains a melodic line with eighth and sixteenth notes, some beamed together. The bass staff contains a harmonic accompaniment of chords. Pedal markings ("Ped") and asterisks (\*) are placed below the bass staff to indicate pedaling instructions.

Musical notation for the second system, continuing the piece with similar notation and markings. The treble staff continues the melodic line, and the bass staff continues the harmonic accompaniment. Pedal markings and asterisks are present.

Musical notation for the third system, showing more complex rhythmic patterns in the treble staff. The bass staff continues with chords. Pedal markings and asterisks are present.

Musical notation for the fourth system, featuring a mix of note values and rests. The treble staff has some notes with rests, while the bass staff continues with chords. Pedal markings and asterisks are present.

Musical notation for the fifth system, concluding the piece with a double bar line. The treble staff ends with a final melodic phrase, and the bass staff ends with a final chord. Pedal markings and asterisks are present.

# OLIVER DITSON & CO'S HOME MUSICAL LIBRARY.

**THE HOME MUSICAL LIBRARY IS NOT** composed of Books of Musical Literature, including charming Biographies of the Great Masters; but they are not included in this series. Ditson & Co., publish many such books.

**THE HOME MUSICAL LIBRARY IS** composed of Bound Volumes of the *Most Popular Sheet Music of the Day*. In the books first published, the "Home Circle," "Silver Chord," and "Shower of Pearls," may be found all of the music popular at the dates of publication, that could be printed in three large books. Other volumes have been added, as popular pieces accumulated, or special needs required. Thus "Gems of Sacred Song," "Gems of Scottish Song," "Gems of German Song," "Gems of Strauss," contain the best music of the class indicated, and "Home Circle, Vol. 2d," "Pianist's Album," "Wreath of Gems," "Musical Treasure," &c., &c., are general collections of pieces, vocal or instrumental. The Books of the **HOME MUSICAL LIBRARY** are uniform in size of page, (large sheet music size), in style of binding and in price.

PRICE OF EACH BOOK IN BOARDS,	\$2.50.
PRICE OF EACH BOOK IN CLOTH,	\$5.00.
PRICE OF EACH BOOK IN FINE GILT,	\$4.00.

To understand the economy of these prices, one only needs to examine one of the books, say for instance "The Organ at Home." This beautiful book contains about 200 pieces of music for Reed Organ. The pieces separately, in sheet music form, could not be sold less than 25 cents apiece. The 200 pieces would cost \$50.00. The same pieces as collected in "The Organ at Home," can be afforded for \$2.50 collectively, or 12 cents apiece!

**MUSICAL TREASURE.** *Vocal and Instrumental Music.* Having been issued quite recently, this beautiful collection has some of the latest favorites, and is distinguished by the variety of its contents. The 225 large pages are filled, all with Vocal, and half with Instrumental music, among which may be found Ballads, Concerts and Opera Songs, Sacred Songs, cheerful Students Songs, and a few Comic pieces; also Waltzes, Polkas, Quadrilles, &c., Airs and Nocturnes, and a few well arranged Four-hand pieces, among them the very popular overture to "Poet and Peasant."

**SILVER CHORD.** *Vocal Music.* Contains 200 pages and includes songs enough to fill about 350 pages of Sheet Music. The first of the Vocal series in the library, but no book is more popular, as its pieces (about 180 in number) are well chosen, and such as are universally liked. The accompaniments in this, as in the other recent collections, can be played either on the Piano or Reed Organ. Most of the music is for one voice, but there are a few Duets and Quartets, and a few pages of choice Sacred tunes.

**WREATH OF GEMS.** *Vocal Music.* Although, as a rule, the books of this library are very compactly printed, one book will not hold all the good songs. The "Wreath" is similar in character to the "Silver Chord," but has a larger proportion of pieces from the best European composers, as Franz, Abt, Reichardt, and Kücken among the Germans, and Glover and Weston among the English.

Foster, Thompson, Ordway, and Millard are also authors, and contribute not a little to the character of general excellence which pervades the volume. The "Wreath of Gems" has 200 pages, full sheet music size.

**GEMS OF SACRED SONG.** *Vocal Music.* A valuable and beautiful book for a "Sunday Evening Sing." It contains the cream of all Sacred Songs which have been published in sheet music form, with Piano (or Reed Organ) accompaniment. Here you will find such gems as "Flee as a Bird," "Wings of a Dove," "Arrayed in Clouds," "Consider the Lilies," &c., &c. Has 200 pages of full sheet music size.

**GEMS OF GERMAN SONG.** *Vocal Music.* A hundred of the most celebrated German "Gems" which, together might be more aptly termed a "coronet," since all are jewels of pure luster.

Of the composers, we may mention Beethoven, Mendelssohn, Schubert, Kücken, Meyerbeer, Franz, Abt, and Lachner. Both German and English words appear in the text.

**GEMS OF SCOTTISH SONG.** *Vocal Music.* All prominent collections of Scotch music, new and old, have been ransacked to furnish material for this volume, which is filled with pure, sweet melody from beginning to end.

Many of the airs have been popular for a century. Some are much older than one, or even two centuries. Short "histories" of the older airs are given. The poetry of Burns, of course, is considerably used. 200 pages, full sheet music size.

**OPERATIC PEARLS.** *Vocal Music.* The favorite songs of operas are sung again and again, and yet again, in this volume contains all, or nearly all of such songs, as it includes the "favorites" in 50 operas. Italian (or French) and English words are furnished. So the possession of "Operatic Pearls" will enable the fortunate owner to enjoy most of the high class concert music before and after a performance, and "all the time." 200 pages, full sheet music size.

**SHOWER OF PEARLS.** *Vocal Duets.* The best vocal duets in existence. There are not many songs that would be made duets of, and the number of really good songs for two voices is not great. Here are all that can be printed on 200 large pages, and are by such authors as Mendelssohn, Glover, Horn, Stevenson, Nelson, Wade, Blockley, Bishop and Richards.

\* \* \* The accompaniments to all the above songs 200 duets, can be played either on the Pianoforte or Reed Organ. \* \* \*

**ORGAN AT HOME.** *Instrumental.* The compilers have been indeed fortunate in the selection of music for this fine book. It is neither difficult nor severely classical, nor dull. Neither is much of it in style organ music. The whole is easy enough for ordinary players, and everything is bright, cheerful, popular and interesting; just what is needed to make it a suitable companion for all Reed Organs, of all manufacturers. There are about 200 pieces, of which about 12 are Organ Pieces, 8 are short Voluntaries, and the remainder are Airs, Sacred and Secular, Nocturnes, extracts from Overtures, Marches, Waltzes, Rondos, &c. The selections were made by skillful hands, and cannot fail to please.

\* \* \* In consequence of the recent improvements in Reed Instruments, they are nearly equal to a Pianoforte in goodness and in richness of tone. Although modern Reed Organ music, such as is found in the "Organ at Home," can also be played on the Piano, and for a similar reason, most of the music in the books mentioned below, although prepared especially for Piano, may be performed with good effect on Reed Organs.

**GEMS OF STRAUSS.** *Instrumental.* 250 large pages filled with the most popular brilliant music in the world. "There is only one Strauss," and when he appeared at the great Boston Jubilee, bringing out such wonderful results by his superb leadership, people of course were enthusiastic, and a natural desire was felt for a volume of "Strauss Music." "Gems of Strauss" has had a sale almost unprecedented, and is now just as bright and attractive as ever.

**HOME CIRCLE, VOL. I.** *Instrumental.* The first compiled of the Instrumental series, and naturally includes the favorites of the years immediately previous to the date of publication. "There is only one Strauss," and the tunes are generally easy and bright. One of the very best books from which to select pieces for "beginners" on the Pianoforte. 216 pages, full sheet music size, on which are 14 Quadrilles, many merry little Dances, and large numbers of Marches, Waltzes, &c.

**HOME CIRCLE, VOL. II.** *Instrumental.* The 25 four-hand pieces constitute a marked feature in this collection, which on that account is a favorite with teachers. 3 are difficult, and the rest quite easy, and all are brilliant. The rest of the book, which has 220 pages, has room for a great variety of moderately easy music, together with a few choice pieces like "The Maiden's Prayer," and "Warblings at Eve."

**PIANIST'S ALBUM.** *Instrumental.* This is sometimes named "Home Circle, Vol. III." It is constructed on the same plan as Vol. I and Vol. II, from the latter of which it differs in having fewer sets of Waltzes, and more (30) Pianoforte Pieces, which are very agreeable pieces, and not especially difficult. 220 pages of full sheet music size.

**PIANO FORTE GEMS.** *Instrumental.* The same as the Vol. IV of the Home Circle. This is a very sen book "playable" compositions, including 21 popular Pianoforte pieces. 216 pages of full sheet music size.

A Descriptive Catalogue, containing the above, and about 1000 other books sent free on application. The above books are sold everywhere. Any book mailed, post-paid, for the retail price.
