~~"THESE FOR SUZANNE"~~ ^S

(Me and the Colonel)

Music by George Duning

When you said "au revoir"
And the teardrops began
Was it really goodbye, my Susanne?
Though you smiled through your tears
Were you counting the years
That would slowly go by, my Susanne?
To have dreamed such a dream
To have loved such a love
Only heaven above could plan
Don't you know, can't you see
We were just meant to be?
So come back, come back to me,
My Susanne.
