March 9, 1987

Dear Sylvia,

On behalf of all of us associated with the New York Philharmonic I want to let you know how saddened we were about Danny's passing, and we extend our deepest sympathy and support.

Danny was a special friend of the New York Philharmonic, and we will always be in his debt. At the Board meeting in March, we passed the attached resolution. The resolution indicates how we feel about Danny and will be inscribed in the permanent record of the Philharmonic Society.

Sincerely,

Steve

The Board of Directors of the Philharmonic-Symphony Society of New York, Inc. notes with sorrow the passing of its great friend Mr. Danny Kaye. Danny Kaye was a true champion for the cause of American orchestras and gave unselfishly of his enormous talent. As our favorite guest conductor he brought laughter into our hall and into our lives and brought substance to our efforts to provide retirement security to our musicians. The New York Philharmonic and every orchestra in America mourn his loss.
