Dear Herb:

I have just talked with Stanley and he has arranged the press conference at 11 a.m. on March 30. Dean Nelson will pick you and Danny and the music up at 9 a.m. at the Sherry. Stanley has arranged a short meeting with President Brewster at noon followed by lunch at Mory's with the Committee (provided Danny would like to stay).

I have made reservations at the Sheraton Park Plaza Hotel here in case Danny decides that going back and forth to NYC each day after rehearsal is too much (that would be 4 hours of travelling each day!).

If Danny does decide to remain in New Haven, President and Mrs. Brewster have planned a dinner party for Danny and Sylvia on Thursday, April 22 and the Philharmonia would like to invited Danny to a buffet lunch following Friday's rehearsal.

During the March 30 press conference perhaps we could meet for a bit to discuss the details of Danny's visit. I would like you to visit Woolsey Hall with me since there is a problem with the follow spot and get your advice about a solution.

I am in NYC on April 1 and 2 since my husband conducts FIDELIO at the Met Opera then and we will no doubt pass each other at that time in case we need to have any further meetings. I look forward to seeing you on the 30th.

Sincerely,

Betty Mauceri
