Dear Danny:

Ed Murrow and Ambassador Kohler have expressed sentiments which I share about your activities in the U.S.S.R.

I will only add my personal thanks and mention that it was a pleasure for me to get acquainted with you.

Your wire to me in Moscow asking for glasses, ties and other missing articles brought on an investigation but no glasses, ties, or other articles. Sorry about that.

Good wishes for the success of your television shows - I suspect you have your hands full.

Yours,
