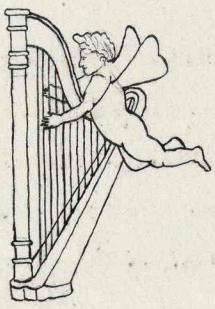
VERSES

TO EDITH

by

L. M. LUKE

PRINCETON '93

IN THE NASSAU LITERARY MAGAZINE


Oh precious drop of crystal dew,
Set in a tiny band of gold,
Which doth within its little grasp
A blue veined finger softly hold;
Thou failest, if thy radiant rays
Are seeking — bold attempt 'twould be, —
To show a fraction of the love
That beams from Edith's eyes on me.
