Signor, e Padron Colendissimo

Seguo le insinuationi del mio genio, & obbedisco a gl'impulsi del mio debito nel dedicare questa mia Opera à Vostra Paternità Reuerendissima, il di cui merito si è reso così riguardeuole nelle Cariche tutte più conspicue della Religione Oliuetana. REVERENDISSIMO SIGNOR MIO

Signor, e Padron Colendiſsimo

Seguo le inſinuationi del mio genio, & obbediſco a gl' impulſi del mio debito nel dedicare queſta mia Opera à Voſtra Paternità Reuerendiſsima, il di cui merito ſi è reſo così riguardeuole nelle Cariche tutte più conſpicue della Religione Oliuetana. Il deſiderare congiunture di farmi paleſe al mondo per Seruitore il più deuoto, che ella habbia ſarebbe ſtata l' vnica delle mie brame, quando per vna delle mie maggiori fortune non mene haueſſe contraſegnato l' honore la di Lei ſingolare benignità. Prego dunque Voſtra Paternità Reuerendiſsima à permettermi di potere far ciò paleſe al mondo tutto, e degnandoſi d' accettare queſto picciolo, mà oſſequioſiſſimo teſtimonio del mio cuore concedermi di potere indelebilmente apparire.
