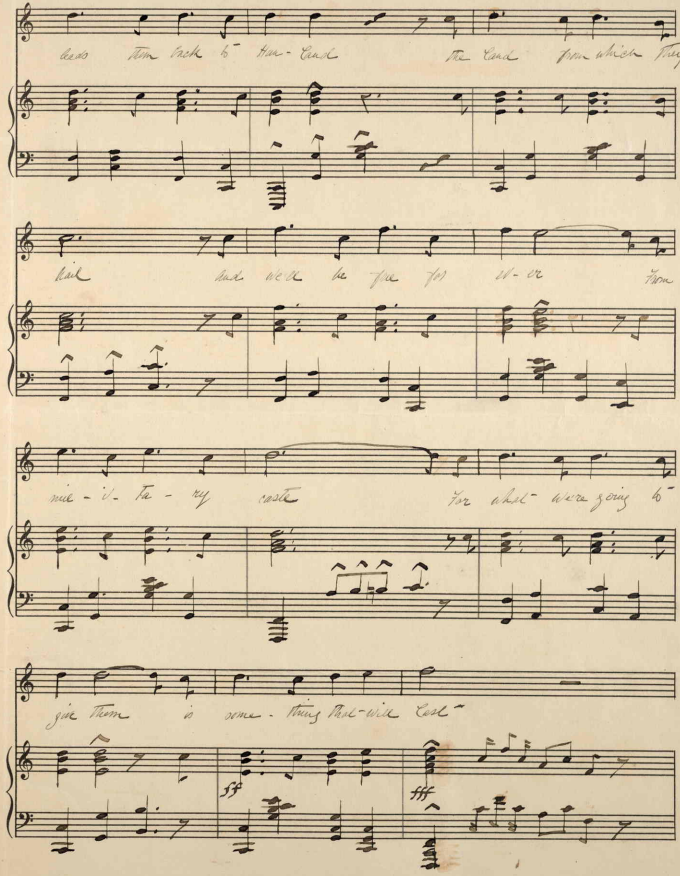
I wish both Austrians Belgians Russians & Ital-i-ans and Ameri-cans from where
For them we have no fear with us the right a-gainst their might there we have boys were here were
un-covered all our comm-rades fall oh were he-re boys were here
marching on to Vic-to-ry oh were he-re boys were here
Chorus Faster Joyfully
And they will go to
your-row For now they're hit the trail That-



Does from back to the land the land from which they
back that were he fro fo ev- er from
nic - i - ta - ry roads For what were going to
give them is some - thing first-rate Coal
