build things of Hon - or and pride Some-

 he would not try but sure - ly did

plete, But we stuck there to Un - cle Sam - ee.
 lie, For he thought to bluff Un - cle Sam - ee.

CHORUS.

Sail, Sail, there in a beau-ti-ful coun-try fair, And

when we had won it was work well done, We'll re-clip-ro-cate side by side,

We were there with the Flag of Old Glo-ry fair, We

won it with pride and something dont hide, "O-ver there" "O-ver there."
