"Knitting"

Darwin expounded a theory,
And now we believe it's true,
We had hair on our knees
And we lived up in trees
And worried for something to do.
After we said other creatures
Enjoy'd play some new game
We thought it was quite
And then followed suit
And now were not
really to blame because we're
Clan -
Knitting, knitting,
Walking, talking, sitting
Every girl carries a bag
Ball of yarn
We knit every where and

We don't give a dam
While we're knitting, knitting
We love it because it's in
style
We count up & turn
Rudy talk about men
And keep knitting all the
while -

My sister Louise went to
Church Sunday morn
She stayed thro' the service
as sure as your born
She was knitting - knitting
The preacher looked up
with a rebuke
For there was Louise
Still down on her knees
She was knitting all
the time

A fellow can call a girl
now a days
the nuts is worried all the
laughs stays
she keeps knitting & knitting
and thinks & then gives him
a smile
You can hug a girl
smack and she kisses him back
and keeps knitting all the time
Chas.
I took a young lady out to a
