· FULL · TEXT ·

1st. verse.

Strike! Strike! Strike for glory and the land we guard!
Strike! Strike! Strike for glory and the land we guard!
For there is a hand, you know,
Would smite fair Liberty and
Lay the goddess of the free lands low.
Never falter! Never falter! In her hour of danger
Strike! Strike! Strike for glory and the land we guard!

2nd. verse.

Rise! Rise! Rise, ye legions of Columbia proud!
Rise! Rise! Rise, ye legions of Columbia proud!
Oh! To arms! To arms! Ordained
In Freedom's name to conquer;
Strike for honor and our rights profaned!
To her standard! To her standard! In your might tremendous,
Rise! Rise! Rise, ye legions of Columbia proud!

3rd. verse.

Stand! Stand! Stand, America, of all supreme!
Stand! Stand! Stand, America, of all supreme!
When the crowns of Europe mould,
And all her monarchs reigning
Rest forever in her abbeys old;
Ever grander! Ever grander! In the onward ages
Stand! Stand! Stand, America, of all supreme!
