TO THE FREE AND THE BRAVE WHO FOUGHT DEMOCRACY TO SAVE

AND GAVE THEIR LIVES IN THE FIGHT FOR FREEDOM, JUSTICE AND RIGHT.

1.

There are myriads of stars shining forth from God's heav'n
Full of luster, of beauty and mirth,
But there's one little star that outshines all by far,
And this star is to be found on earth.
It's the symbol that's chose by a Nation so great
To do honor to sons all adore,
Who have died in the fight for Man's Freedom and Right,
As their forefathers in days of yore.

Chorus:

Do you know the star that shines always so bright,
Little beauty of Old Mother Earth,
It's brilliant both in dark and light,
It's precious and priceless in worth.
You will find in hamlet, in city and town,
Wherever you go, near or far,
It's revered by all and to all it's known - -
IT'S THE HERO'S GREAT LITTLE GOLD STAR.

2.

"Sweet and noble it is for one's country to die",
So the Romans of old used to say,
And now millions repeat "It is noble and sweet"
Wine to die for the Great U. S. A.
And when souls of these heroes with angels on high
Smiling down in the night from afar,
Full of kindness and mirth they greet Old Mother Earth
And salute the GREAT LITTLE GOLD STAR.

Chorus:
