Till Ready.

The war has come to us at last and we must fight or
In this great land of lib - er - ty, we do not care for
die, So lets be brave as oth - er men were in the days gone
strife; We try to treat the whole world right and lead a sim - ple
by. Our pres - i - dent, who's done his best, will al - ways do the
life. But still, there comes a time, at last, when peace is worse than
same; So first lets all take off our hats and then lets all ex - claim:
war; That time is here; so now my friends, let us all say once more:
