2. The Subs. he'll get with net or line,
And sends 'em to a warmer clime.
Hoo-ray — Hoo-ray —
For Sammy of the U. S. A.

And Zeppelins he'll tickle there
Till they all bust + lose their air.
Hoo-ray — Hoo-ray —
For Sammy of the U. S. A.

He'll tip old William off the throne
For millions killed, and crack his dome.
Hoo-ray — Hoo-ray —
For Sammy of the U. S. A.

And when he sets the Germans free
(Once more) "Hoo-ray for Liberty" (Everything free)
Hoo-ray — Hoo-ray —
For Sammy of the U. S. A.!
