Chorus
gave us Peace for- ev- er,
my moth- er Lib- er- ty.
Peace reigns in "No-Man's-Land"
Verdun and ev- ry where,
Still our eyes are filled with tears, Joy has not been felt in four
dreary years, And at last our bleeding wound has healed,
For God was the nurse of "No-Man's Land,"
1.
Who has given us peace this day.
2.
day.
