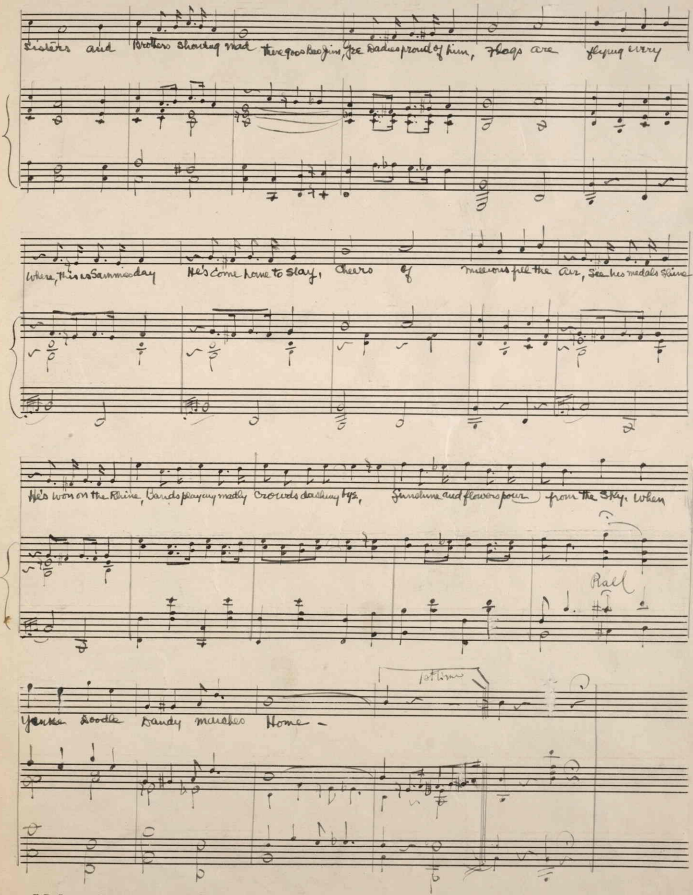
It didn't take Fritz
Long to get the time, He scamper from the Marne back to the Rhine
Left Right hold right turn They come, Shoulder to shoulder to the Band, My but they look grand, See them swing erect
Now every heart is gay, See their shoulders sway Mothers are cheering their Boy passing by
Sweethearts are trying to catch Soldiers Eye



Sisters and Brothers shouting wild the people keeping time Bands proud of him, Flags are flying every
Where, this is Summer day He's come home to stay, Cheers of numerous fill the air, See his medals shine
He's won on the Rhine, Bands playing madly Crowds dancing by, Sunshine and flowers pour from the Sky, When
