2 Volunteers are wanted now Gainst Germany to go
Men of firm Decision, who will never answer no.
Men who will not Backward turn
But always face the foe
Such the men we're looking for
And with them we will go

3 Volunteers are wanted now and this the kind they be. Men of much anxiety to cross the rolling sea
Men with strength of vision who will not contented be
Til all the U Boats sink into the bottom of the Sea.

Chorus.

4 Volunteers are wanted and we'l join the number too
The ~~Enemy~~ Kaiser we will Route and run and so his plans undo
Uncle Sammies soldiers ever have and will be true
And always meet with victory Their strength is ever new

Chorus.

5 Volunteers are wanted after victory to run
Men just same as you + me the best of Mothers sons
Men of stern determination not to stop their fun
Until the Kaiser signs the pledge:
The German War is done
