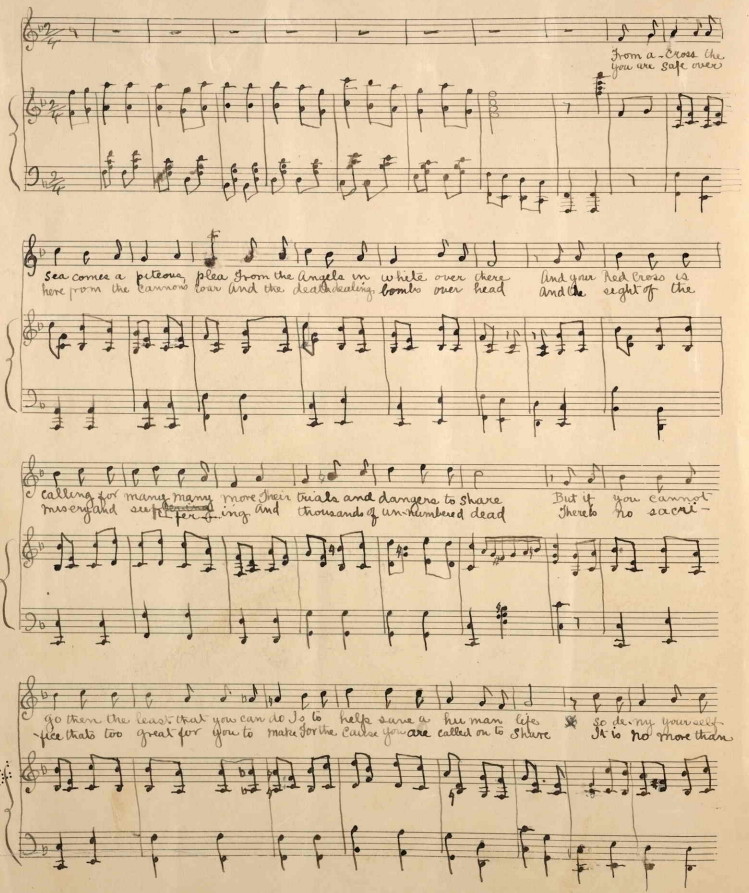
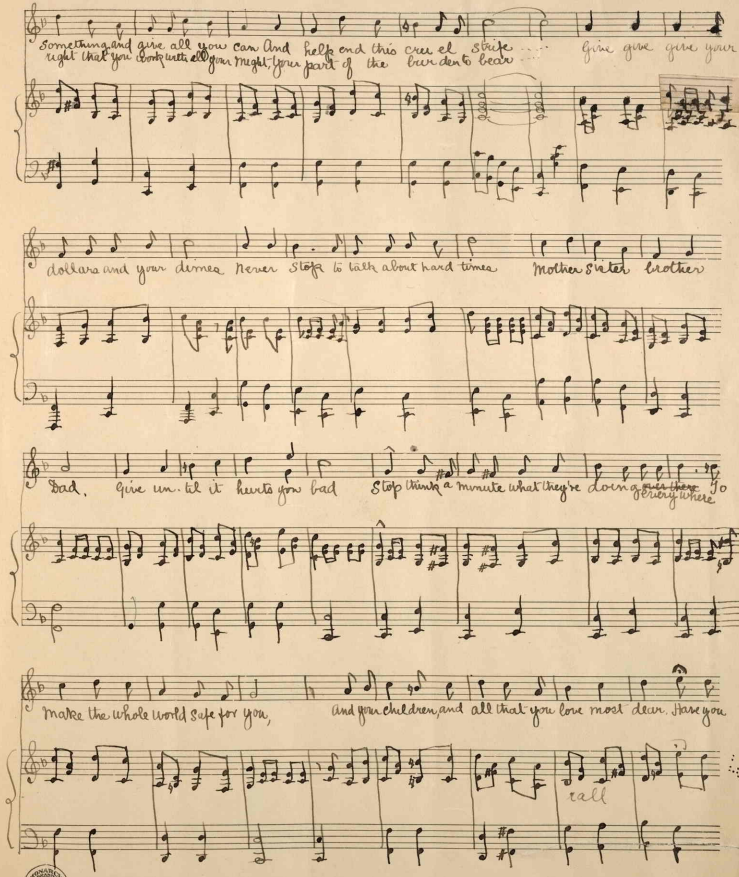
"Give. Give Give"

Words or Music by G Watson





Something and give all you can And help end this cruel Strife Give give give your
right that you Compatriots all your might your part of the burden to bear
dollars and your dimes Never Stop to talk about hard times Mother Sister Brother
Dad. Give un. til it hurts you bad Stop think a minute what they're doing over there Go
Bravely where
make the whole world safe for you, and your Children and all that you love most dear. Have you
