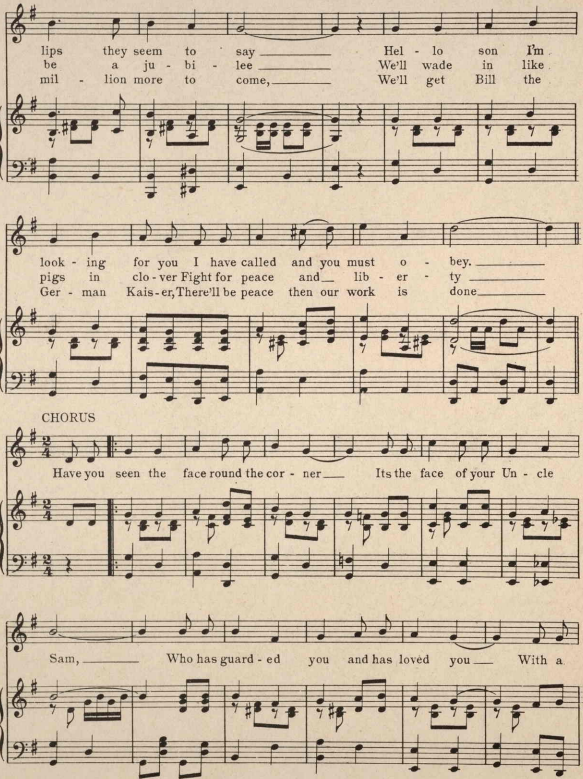
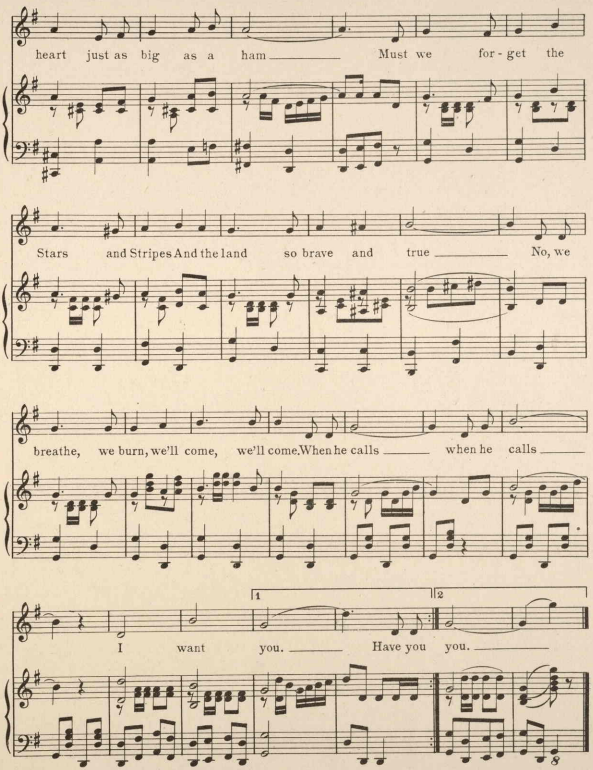
ev - er true If you look you can - not
"I want you" And to France will proud - ly
brave and true For we need - ed help to
pass it For it has its eyes on you
foI - low Our old flag Red White and Blue
con - quer When our Na - tion was young and new
And the fin - ger points so square - ly And the
When the Sam - mies all cross o - ver Gee there'll
Persh-ing and his lads are o - ver And a



lips they seem to say Hel - lo son I'm
be a ju - bi - lee We'll wade in like
mil - lion more to come, We'll get Bill the
look - ing for you I have called and you must o - bey.
pigs in clo - ver Fight for peace and lib - er - ty
Ger - man Kais - er, There'll be peace then our work is done
CHORUS
Have you seen the face round the cor - ner Its the face of your Un - cle
Sam, Who has guard - ed you and has loved you With a



heart just as big as a ham Must we for - get the
Stars and Stripes And the land so brave and true No, we
breathe, we burn, we'll come, we'll come, When he calls when he calls
