"We're Going To Hang The Kaiser!"
(Under the Linden Tree)

By Kendis & Brockman

1.

Have you heard the news ? Have you heard the news ?
The news thats going all around,
Chase away the blues, the weary weary blues
For the boys are Berlin bound
Somebody has been fooling with the deck
Somebody's going to get it in the neck.

CHORUS

We're going to hang the Kaiser
Under the Linden tree, Under the Linden tree.
Over in Germany
We'll take along a clever little old 'bumble bee'
To sting him, to sting him,
Upon the helmet, the hell-mit the Kaiser
Tramp tramp tramp the boys are marching
To make the world safe for democracy
We've never lost a battle yet, and we won't lose this one you bet
We'll hang him under the Linden tree.

2.

If the rope should break, if the rope should break,
We won't send him very far
We'll make him take a trip, a lovely little trip
He can play with Nick the Czar
Somebody has been bragging much too much
Somebody we know surely is in Dutch.

Extra catch lines

There never would have been a war
And he has much to answer for.
