"Don't You Know The War Is Over?" Robert Lee Shorts.

1

Don't you know the Allies need youto help build their lands again?
The Kaiser s war horse hasbeen thrown, no more the Kaiser'll reign;
He thought that he would rule the world,but I don't think he will;
The war isover that's the end of Huns and Kaiser Bill!

CHORUS.

Don't you know the war isover,we can ring our bells of liberty;
What we haveprayed for's come at last,we won the victory;
But there's more work for you and me,more work for us to do--
So,let's all do a little more,for our Red,White,and Blue!

2

Don't you hang around as if you were the son of millionaire;
Come,on and soil your nice soft hands,come on and do your share!
We must put back to where it was the world before the war;
You've done your bit? that's very true,come on,and do some more!
