CHORUS
You are a sol-dier man and I'm proud of you and I love you You are the
p-f
brav-est man, In the U-ni-ted States to-day; Go do your bit and all A
merica will sure-ly love you, Dear-ie I love you so, I hate to see you go, Good-
bye and I wont cry, When you get o-ver there I'll say a pray-er for you,
dear, Keep the Huns on the run, Won't it be lots of fun for you, and Un-cle Sam; Re-
member what I've said: Kill ev-ry German dead, You are Mama's little fighting man. You are a man.
