"The Flag Our Forefathers Won" By Jacob Struble.

Here is the Flag that we have won, we hand it down to YOU!
Dear children you protect it--it's the dear Red, White, and Blue!
We thank you for this glorious Flag that you so dearly won;
With tears of Joy in ev'ry heart for this gift you have done.

CHORUS.

Yes, we will protect our fathers Flag; and march with shout and brag!
The White it stands for purity, and the Red for courage strong;
The stars that shine so bright above in that grand field of Blue
Gives strength to this flag that we love. that we received from YOU!

2

There's many sought this land of ours, there's room for millions more;
We have a hundred million, now, with souls from ev'ry shore;
We're prosperous and industrious, there's work at ev'ry hand;
God bless this happy Nation, this Great Union, this great Land!
