"For We All Stand Together For The Flag" By Mrs. S. Dobbins.

Our enemies begin to think that they can rule the world;
So it is time we stirred ourselves and got the Flag unfurled;
'Tis time that we bestirred ourselves, to rustle out the boys;
We'll show the blomin' Kaiser, that he can't make men like toys.

CHORUS.

For we'll all stand together, in bright or stormy weather,
We'll all stand together for our Own United States;
We'll all stand together, in bright or stormy weatherm
Yeswe'll all stand together for the Flag.

2

How many men will join us who were born in other lands
We honor each and all alike, for Liberty we stand;
This is a land of freedom, not of bluster or of brag;
And we all stand together when we're fighting for the Flag.

3

We'll make them pay for ev'ry bomb and each torpedo hurled,
When we join in the cause we fight for freedom of the world;
And we will show old Kaiser Bill just where he can step off;
And ere our boys are through with him, he'll holler "Nuff, enough"
