1
Hello, hello, Broadway

We've been some time away;

Yes, we have been sway some time for you;

But, now, just see us smile;

We've been gone quite a while.

In France, beneath the Old Red, White, and Blue!

2

Hello, hello, Broadway!

You surely do look gay;

We've been away for old Democracy;

The Kaiser we threw out,

And put the huns to rout

And made the world respect our liberty.

CHORUS.

Hello, Broadway, we've come back to you!

We are the boys of the Red, White and Blue;

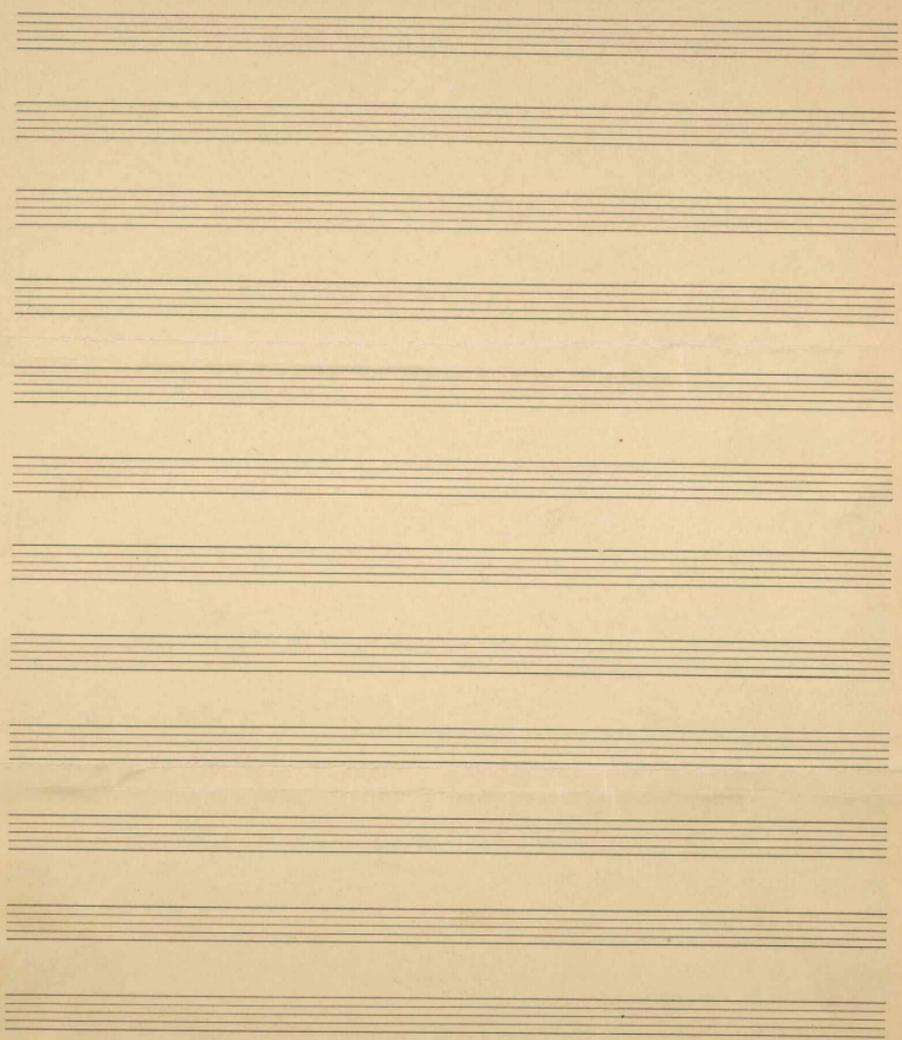

We're strong for France, and our Allies, too;

But Broadway we have come back to you!
