"May God Bless The Red Cross Nurse,To Day!"
Elizabeth R.Bates .

1

From coast to coast the Red Cross Nurse--you see her ev'rywhere;
But did you ever stop to think that YOU should do your share?
The Red Cross Nurses on the field they face the shot and shell;
And care for our boys far from home,who there in,battle,fell.

CHORUS.

She comes as an angel from "eaven; bringing sweet cheer to all;
As softly she goes from cot to cot,answering every call;
Oh what a blessing and comfort she is,to the soldiers far over the sea;
May God protect the Red Cross Nurse wherever she may be!

2

Tho weary and footsore she' ll be sh e answers ever'y call;
And many is the aching heart that on her knee does fall;
She gently wipes the bloodstained face;and bindsup wounds with care;
Do w give all the aid we can?to her who's over there?
