"Mother's Boys" By Mrs. R. Clara Peterson.

1

Oh, good bye Johnnie! good bye, Joe! for honors sake we know you go;
With joy and pride leave your big heart in this great Cause to have a par
Your mother's with that noble band, the womanhood of our dear land;
Respect for her you will inspire, to conquer there the foe so dire.

2

She Braved for you the Vale of Death, for you she gave her very breath;
Could SHE so she would let you stay; But God asks YOU to win the day;
But next to His is Mother's love; He gave His Son from up Above;
The sacrifice and shedding blood, is the one way with for Peace with God.

CHORUS.

So, good bye, Johnnie! Good bye, Joe!
To save the world you have to go;
Encamped about God's fire wall;
United pray'r will round you all.
